

IP54 ANTIVANDALIC INDOORS HOUSING PACKAGE

HOUSING FOR FIXED AXIS 206 / 207 CAMERAS

OVERVIEW

Antivandalic housing for indoors facilities. This protection housing was designed for the fixed IP cameras from Axis: **Axis 206** and **Axis 207**. This housing is not suitable for the Axis 206 Wireless camera and the Axis 207 Wireless one. It integrates ceiling direct mounting and thus does not require any bracket.

It is an ideal choice to Project cameras in indoors settings like schools, prisons, public buildings, etc. It was engineered for an easy and fast set up.
